

# 1940s

## RECAP

Luke and Jasmin created a whimsical space perfect for a child, with neutral tones from the bedroom through to the bright and airy ensuite.

## HIGHLIGHTS

The kids' bedroom told a wonderful story – featuring gorgeous dotted wallpaper, bespoke bunk bed railing and ladder and a beautiful hanging chair.

The bedroom was complemented by a stunning ensuite, with natural textures, finishes and tones tying in for a seamless transition.

*"IT IS SO LIGHT AND SPACIOUS. THE COLOUR PALETTE IS JUST STUNNING... I LOVE THE TERRAZZO USED IN CONJUNCTION WITH THE SUBWAY TILE!" - NEALE*

## PRODUCT IN FOCUS

Luke & Jasmin used Bradford SoundScreen in the internal walls and midfloors of the home to create spaces as comfortable as they are beautiful. For more info, visit [SoundScreen.com.au](https://www.SoundScreen.com.au)
